Thank you so much, Doug and Lyn, for an amazing and insightful site tour of Normanton Solar Farm. What a truly outstanding and remarkable project this is for the Gulf Region! To witness, firsthand, the sheer magnitude of this project is simply beyond words. The enormous benefits, not only of the renewable energy that will be produced, but also providing much-needed employment opportunities for many in the Region, is a credit to you. Your project has put Normanton on the map! This country needs shining examples of everyday folk who have incredible skills and talent, who have true grit and determination and who aren't afraid to step outside of their comfort zones to create something truly magnificent. Your entrepreneurial fortitude and foresight, plus your passion and willpower to achieve great things, needs to be commended. Well done to you both!
