- Less than expected     As expected     More than expected

3. About you:

- Government Department     Industry Partner     Local     Other

3a. How did you hear about the Normanton Solar Farm project?

- Scouller Energy     Solar Futures Australia     Media/Newsletter     Other

4. The overall site visit presentation was...

- Less than expected     As expected     Better than expected

5. Comments / Testimonial:

*This project is a shining example of the identification of an essential need for sustainable cost effective energy supply, and the application of sound reasoning and a common sense approach to the challenge. The outcome is there for all to see and Scouller Energy should be warmly applauded for their tenacity in bringing this project to fruition.*
